Contract Value

£6 million

Contract Period

2 years

Completion Date

August 2017

Contract Type

Design & Build

Main Contractor

Rydon

Project Summary

The refurbishment of an existing 10 storey hostel tower and addition of 4 storey extensions to provide 106 additional bedrooms in Leyton, London. The scheme will provide 229 homeless people based in East London with accommodation.

The project has seen the demolition of 2 existing single-storey annex buildings, the construction of a new 4 storey accommodation block, and the existing 10-storey block upgraded to include relocation the existing office and reception, essential repairs to services and new cladding, windows, curtain walling and roof.

Each accommodation room benefits from shower room pods offering generous showers, WC's and hand basins. With a range of shower types, these cubicles have been installed with minimal disruptions and quality has been guaranteed prior to installation.

Lea Bridge is expected to achieve a BREEAM Very Good rating in accordance to the planning permission.
